

# INFORMATION REQUIRED FOR A BUILDING PERMIT APPLICATION

## Verandahs, Roofed Pergolas and Decking

**Complete this form & return it with the building permit application**

The following sets out the minimum information that is required to be submitted for a building permit application.

It is the applicants' responsibility to supply sufficient information to the Relevant Building Surveyors. The Relevant Building Surveyor is then required to ensure the application contains sufficient information to determine compliance with the Building Act and Regulations. Where the Relevant Building Surveyor is not satisfied that the appropriate information has been provided they cannot issue the building permit and will request further information.

### **Bushfire Attack Level (BAL)**

Are you in a Bushfire Prone Area? Use Glenelg Shire Council's website - Online Mapping to determine. The drafts person drawing the plans can confirm and assess your properties BAL, which is required for every site within a declared bushfire prone area.

### **Have you?**

Have you checked with the relevant officers, if you require a **Planning Permit?**

**Note;** where required, a building permit cannot be issued until Planning is been approved.

Have you checked with the relevant officers, if you require a **Waste Water** permit?

**Note;** where required, a building permit cannot be issued until this is been approved.

Have you applied for or enquired with the relevant officer, if you require an **Asset Protection Permit?** All questions relating to Asset Protection are to be directed to the Infrastructure Officer (Phone (03) 5522 2365).
