

Council is committed to ensuring that events held in Glenelg Shire are successful, safe and well planned, with appropriate arrangements established to identify and manage potential impacts and risks.

By definition, an event is a gathering of people brought together for a common purpose by some prearrangement.

When an event is to be held on Council owned or managed land and/or buildings, or a road closure is necessary, it is a requirement to complete this form.

Please complete and return this application with the following supporting documents:

- **Event Plan**
- **Risk Management Plan**
- **Site Plan**
- **Emergency Management Plan** (included in this form)
- **Public Liability Certificate of Currency for the event** (\$20 million)

If you require assistance with the development of the above documents, please contact Council's Events Officer by email events@glenelg.vic.gov.au or by calling 1800 GLENELG.

For further information and support on planning your event please visit our [Event Organiser's Help Page](#) on Council's website.

This form must be received no less than three months in advance of the date of your event.

Supporting documentation can be submitted retrospectively. A Permit will not be issued until all documentation is received.

Email your completed application with supporting documents to events@glenelg.vic.gov.au or take to any of Council's Customer Service Centres.

Completed applications will be assessed in alignment with Council's Events Policy.

Submission of your application does not grant permission for land use. Permission is only granted on the issue and receipt of a Permit by Events.

Have you considered accessibility and equity when planning your event? (yes/no)

Would you like to be contacted by Council's Access & Inclusion Officer who can help you with these considerations? (yes/no)

POST EVENT RESTORATION

It is the responsibility of the event organiser to ensure the site is returned to pre-event condition. This includes removal of all waste, infrastructure, and restoration of any damage causes.

In some instances, either an Assets Protection permit, or Casual Hire bond may be required dependent the location of your event. You will be notified if this is required.

Please let us know if there are any other enquiries you have regarding your event, this application or if you would like further assistance with your event planning

YOUR DECLARATION

I/we understand that the above information is true and accurate, and if approved we will conform to any conditions required by Glenelg Shire Council.

Should any site damage occur, I/We as the event organiser, will be responsible for all costs associated with repairs and restoration.

I/we understand that penalties may apply if conditions of the Permit are not complied with, and the Permit may be cancelled.

I/we agree to comply with any reasonable direction of an authorised Council Officer.

EMERGENCY MANAGEMENT PLAN

It is advised that all event organisers prepare an Emergency Management Plan. Please find a simple template below that you can use for your event – ***it is also advised that you edit this as appropriate to fit to the context of your event.***

Ideally this document should contain key contact information for various individuals and departments, a timeline for the event and specific event maps. This plan should be distributed to and reviewed with key staff/volunteers prior to the event.

The information below, once signed, can act as your Emergency Management Plan. Please edit as appropriate and add more detailed information as required – each event will be different and there may be potential issues specific to your event that need to be addressed.

EVENT PROCEDURES

In the event of an emergency this will be your plan for your event. Please obtain on event day. Responsibility for the management of the response to the incident, including evacuation of persons affected, will normally be delegated to the event manager/chief warden. This delegation will be effective from the time the emergency is reported until such time as it is resolved.

It is the responsibility of the event manager/chief warden to hand over control of the venue to the emergency services incident controller upon their arrival at the scene. Cancellation or evacuation of the event shall be the responsibility of the event manager/chief warden. On a Fire Danger rating day of “Code Red” for the South West Total Fire Ban district, the event will be cancelled. The attached site plan forms part of the emergency response plan.

PRIOR TO EVENT

Prior to the event, event organisers should inspect the site and identify and rectify any potential hazards.

All key staff/volunteers will be provided with a copy of this plan and feedback received.

CODE RED DAY

Should a Code Red Extreme Danger Fire Ban Day be declared for the day of our event, the below safety precautions will be implemented:
