## Schedule of Fees and Security Bond

### Qualification for Asset Protection Permit - \$134.00

In accordance with [Glenelg Shire General Local Law 2018](#) Part 5, an Asset Protection Permit is required prior to the commencement of any building works where there is potential to damage the public infrastructure assets, including but not limited to:

- works over an easement,
- building works,
- demolition works,
- construction of swimming pools,
- bulk rubbish container,
- removal of dwellings,
- dwelling additions and alterations,
- commercial/large scale developments,
- re-blocking/re-stumping works,
- front fencing works,
- use of cranes and scissor lifts on footpaths, and
- stormwater/drainage connections.

Council has introduced some exemptions in rural areas (i.e. Rural Zones) where there is little or no risk of damage to Council infrastructure. However, you will require an Asset Protection Permit if your property is located in the following planning scheme zones;

- General Residential Zone 1
- Commercial 1 Zone and Commercial 2 Zone
- Industrial 1 Zone, Industrial 2 Zone and Industrial 3 Zone
- Township Zone where there is existing footpath or kerb and channel.

Fee waivers can be granted for works assessed by Council as low risk where the applicant supplies a completed application form, inspection damage report and photographic evidence of the condition of Council assets.

### Qualification for Asset Protection Security Bond - \$800.00

As stated in the [Glenelg Shire General Local Law 2018](#) Part 5.02 (3), the Security Bond is compulsory for:

- 1) Projects having a value of \$20,000 or more and
- 2) all projects involving the construction or removal of fencing on a boundary to a public place; demolition works; building removal; and excavation or construction of swimming pools.

**An Asset Protection Permit and Damage Report will be issued on completion of a First Inspection by a Council Authorised Officer to determine existing damage. A Final Inspection will be conducted following a Building Surveyor issuing a Certificate of Final Inspection. The First Inspection Damage Report is the basis for determining the extent of subsequent damage to Council assets and infrastructure.**
