### Jamie and Kim's Mobile Zoo:

Get up close with amazing creatures like snakes, lizards, and birds at this year's Hooked On Portland festival!

The mobile petting zoo returns for a hands-on adventure with nature's coolest crew Jamie and Kim's dream is to share the wonder of our native animals with everyone they meet.

They travel the state of Victoria chatting with people about how special, and sometimes dangerous, our wonderful wildlife can be.

After their shows many people like to chat and ask more questions. It's a great way to spend the day.
