

Welcome

TO GLENELG SHIRE

NEW RESIDENTS INFORMATION

Welcome

As a new community member we hope you enjoy this incredible location and the region as much as we do. The Glenelg Shire is 6,215 square kilometers of diverse landscapes including the striking coastal cliffs and stunning stretches of sandy beaches and the UNESCO World Heritage listed Budj Bim Cultural Landscape.

If you would like to know more about the local tourist attractions, we invite you to come in and meet the team in one of our Visitor Information Centres in Portland, Casterton, and Nelson.

Council delivers over 100 services to the community. If you are interested in learning more about any of these services please visit our website:
www.glenelg.vic.gov.au

If you need to talk to us please contact us free on 1300 453 635, or for enquiries in person, you can visit one of our Customer Service Centres.

Whether you live in historic Portland, scenic Cape Bridgewater, the rural towns of Casterton, Heywood or Dartmoor, the idyllic village of Nelson, or anywhere in between, there is a lot to see and do. We encourage you to make the most of the community facilities and our natural wonderland.

Once again, welcome, and best wishes from our Mayor, Councillors and the residents of Glenelg Shire.

With my best wishes,

Helen Havercroft
Chief Executive Officer

Acknowledgement of Country

The Glenelg Shire Council respectfully acknowledges the Gunditjmara, Jardwadjali and Boandik people as the Traditional Owners of the land that the Glenelg Shire encompasses and we pay our respects to their Elders past, present and emerging.

We recognise that Aboriginal people have cared for and protected this land we call home since the dreaming. Their connections to the land, animals, seas and waterways was, and continues to be, a part of their being and we thank them for their significant contributions to life in Glenelg.

Council Meetings

The Mayor and Councillors of the Glenelg Shire welcome all members of the community to attend Council Meetings. Seating is provided in the public gallery at the rear of the Council Chamber. When attending meetings, members of the public are bound by Council's Governance Rules and are not permitted to interrupt the meeting proceedings. Council Meeting's are also livestreamed to the public, which is available via our website.

The only formal decision-making process of a Council is via Council Meetings, which Councillors attend and are eligible to vote. At these meetings Council makes decisions on Council policy, financial and resource allocation, community development, infrastructure and planning requirements. The Chief Executive Officer (CEO) and members of the Executive Management Team also attend the meetings, to provide information or advice when called upon by the Council but do not participate in the voting process.

Council Meeting Schedule

Council Meeting dates can be found on our website using the QR code.

Glenelg Shire Snapshot

Encompassing an area of 6,215 square kilometres, the Glenelg Shire includes Portland, Heywood and Casterton and many other small townships and localities.

Rolling hills and rich agricultural land to the north give way to a scenic and secluded river region to the west. Pine and blue gum plantations line the roads through the hinterland, while a huge expanse of coastal beaches and rugged cliffs form the southern perimeter, making the Glenelg Shire a thriving place to live, visit or study.

The Glenelg Shire is located in south-western Victoria, about 360 kilometres from the Melbourne CBD.

Consultation and Feedback

Stay informed, share ideas and help shape our Shire.

Council has an online community engagement hub, where you can join the conversation and "Have Your Say". Use the Register button to sign up and receive notifications when new projects are listed, project updates are added and when feedback is open. Scan the QR code for more information.

You can also visit our website at any time to submit positive feedback or make a complaint.

Community Newsletter

Printed copies of Council's Community Newsletter are distributed across the Shire in local cafes and General Stores, Customer Service Centres, and our Visitor Information Centres.

We also have a Community Newsletter website where you can download a copy, as well as access links to Council's other news and media articles. Scan the QR code for more information.

Want an email notification when a new edition is added? Subscribe to the the project via the "Stay Informed" button on our site. We will send you an email every time a new edition is uploaded.

Council Plan

Council prepares a new Council Plan after each election. The plans are made up of a vision, themes (broad areas of interest and importance), objectives (what we want to achieve) and strategies (how we will achieve them), which drive the direction of Council during their term. In practical terms, the direction helps Council to decide where it will invest its time and resources.

This plan brings to life many opportunities within our Shire - transitioning to a carbon neutral future, promoting our rich culture and diverse arts, supporting community health and wellbeing and encouraging entrepreneurs and investors to the Shire.

Learn more about what is planned for the Glenelg Shire by reading the current Council Plan on our website at by scanning the QR code.

Service Requests

Glenelg Shire Council is committed to providing our customers with quality services. We view feedback as an opportunity to improve the services we provide and value the communities contribution in identifying and reporting any issues of concern. To report a problem or provide feedback, please complete a Service Request Form.

Service Requests may refer to:

- Damage or maintenance relating to Council owned buildings & facilities
- Animals, Fire Prevention or Local Laws issues
- Roads, Potholes, Footpaths, Drainage, Parks and Gardens
- Rates, Valuations, Planning or Development
- Waste or Cleaning of Amenities or Facilities
- Property Damage, Injury or Hazards
- Environmental issues, Weeds, Fallen Trees or branches
- Requests for repair or maintenance
- Other general enquiries or feedback

You can complete your Service Request Form online on our website by scanning the QR code.

If you need any assistance or further information regarding Service Requests, please contact our customer service team in person at one of our Customer Service Centre's or call 1300 453 635.

Glenelg Shire Council is committed to providing customers with quality services. We are an organisation that views complaints as a positive opportunity to improve the services we provide. To submit a formal complaint please visit our website by scanning the QR code.

Accessible Parking Permits/MLAK Keys

A statewide Accessible Parking Permit scheme currently operates in Victoria. To apply please visit our website by scanning the QR code.

People with a disability are able to purchase an MLAK key that will open all toilets, playground equipment and other facilities fitted with a lock that uses the special MLAK cylinder. Visit our website for more information by scanning the QR code.

Waste and Recycling

Waste and Recycling Kerbside Collection

For those who live within designated collection areas, Waste Services can include the following:

- 120L waste (garbage) bin collected *weekly*
- 240L recycling bin collected *fortnightly*

Visit our website by scanning the QR code for the following services:

- View designated collection areas
- View waste collection calendar
- Request a new bin
- View kerbside waste collection fees

Live outside a Designated Collection Area?

Optional Kerbside Collection

Council is offering a kerbside waste and recyclables collection service to owners of properties that are on or near a number of designated roads through the Shire.

While the service can not extend to every property within the Glenelg Shire, residents are encouraged to utilise the Optional Kerbside Collection Service where possible.

For further information on this service, visit our website.

Private Waste Collection

Residents that do not receive Council's waste collection service may choose to have a collection service provided by a private contractor. Refer to the Telstra Yellow Pages for listings of Waste Collection Contractors.

Waste and Recycling Transfer Stations

Transfer Station Locations		
Portland Transfer Station	210 Cape Nelson Rd, Portland	(03) 5522 2312
Heywood Transfer Station	Heywood Tip Rd, Heywood	0403 602 969
Dartmoor Transfer Station	Bowd's Ln, West of Dartmoor	0403 602 969
Nelson Transfer Station	North Nelson Rd, Nelson	0403 602 969
Jarrad's Rd Transfer Station	Jarrad's Rd, near Merino	0432 460 527
Casterton Transfer Station	Bahgallah Rd, Casterton	0432 460 527

For operation days and hours please visit our website by scanning the QR code.

Waste and Recycling

What can go in your Recycling Bin?

Hard plastic bottles and containers

Paper and cardboard

Steel and aluminium cans and foil

Products that CANNOT go in any bin

Other items are required to go into the General Waste Bin (red lid bin). For full details on what can go in your bins please visit our website by scanning the QR code.

FOGO – Food Organic and Garden Organic products can go in the red lid bin until the rollout of our kerbside FOGO collection or be dropped at any Transfer Station.

Glass can currently be disposed of via Container Deposit Scheme (CDS) sites. To find your nearest CDS site visit the website by scanning the QR code.

Waste and Recycling

e-waste

The Waste REDUCTION GROUP and its member Councils are pleased to be able to offer an e-waste recycling program in the South Western Region. You are now able to recycle your old, broken or unwanted electrical appliances at a number of sites around the region.

Collection sites can accept almost any electrical appliance that is able to be plugged into the wall.

Items are categorized by their size
SMALL, MEDIUM & LARGE and the associated charge will apply for the recycling service.

Where do I take my E-waste?

Corangamite Regional Landfill	Country Boundary Rd, Naroghid	Wangoom Transfer Station	Warne Rd, Wangoom
Caramut Transfer Station	Gibson St, Caramut	Yambuk Transfer Station	Carrols Rd, Yambuk
Mortlake Transfer Station	Connewarren Ln, Mortlake	Killarney Transfer Station	Badhams Rd, Killarney
Woorndoo Transfer Station	Mortlake-Ararat Rd, Woorndoo	Woolsthorpe Transfer Station	Ashgrove Rd, Woolsthorpe
Macarthur Transfer Station	Myamyn-Macarthur Rd, Macarthur	Peterborough Transfer Station	Old Peterborough Rd, Peterborough
Hawkesdale Transfer Station	Baird St, Hawkesdale	Hamilton Landfill	Elijah St, Hamilton
Port Fairy Transfer Station	Hamilton-Port Fairy Rd, Port Fairy		Albert St, Warrnambool
Portland Transfer Station	Derrill Rd, Portland		Catons Flat Rd, Heywood
Casterton Transfer Station	Bahgallah Rd, Casterton	Heywood Transfer Station	

Electrical appliances are accepted for recycling at Landfills and Transfer Stations and charged according to three size categories - SMALL, MEDIUM & LARGE (items listed are an indication of size only)
Contact your local Council for a list of the charges.

Small appliances 30cm x 30cm x 30cm

Alarm clocks

Tools

Keyboards

Electronic Games

Hairdryers

Telephones

Laptops

Medium appliances 50cm x 50cm x 50cm

DVD / VHS Players

Stereos/HiFi Equipment

Fax machines

Scanners

Hard drives

Household appliances

Large appliances over 50cm x 50cm x 50cm

Photocopiers

Printers

Televisions

Microwaves

Monitors

Vacuum Cleaners

NOTE: Whitegoods (fridges, freezers, washing machines etc), airconditioners, gas bottles, globes and batteries are accepted at many of the Waste Facilities through other recycling programs.
Please contact your local Council for further information.

**Waste
REDUCTION
Group**

Pets and Animals

Microchipping Pets

All pets must be microchipped prior to being registered, and you will require the microchip number to apply for registration. Contact your local veterinarian to get started.

To apply for registration visit our website by scanning the QR code.

Domestic Animal Registration

Owning a pet is a wonderful experience, but it is also a big responsibility. Registering your pet is the best way to keep pets happy and safe, and ensure that they are returned to you if they get lost.

All cats and dogs must be registered with Council at three months old. They are required to wear registration tags while not on their owner's premises. This helps identify them and their owner if they are found wandering or are lost.

Owners will also need to inform Council of any changes to their, or their pet's details. To update your details or register your pet you can visit one of our Customer Service Centres, or visit our website by scanning the QR code above.

Animal registrations expire on 9 April each year and must be renewed annually by 10 April. Glenelg Shire Council will send out registration renewals to all owners of domestic animals in March each year.

Glenelg Shire Animal Welfare Centre

The Glenelg Shire Animal Welfare Centre provides a temporary home for lost, stray, surrendered and seized animals. Many of these animals will be returned to their owners. Importantly, the Centre helps to find new forever homes for animals in partnership with Warrnambool City Council.

The animals at the Centre are cared for by qualified and passionate staff.

What happens when we find a lost or stray animal?

Stray animals collected by our Officers or delivered to the Centre will be advertised on the Glenelg Shire Animal Welfare Centre Facebook page. For registered animals officers will make every attempt to make contact with an animal's owner. Please note that animals may be transferred to the Warrnambool facility for ongoing care if they are not collected within 72 hours.

The centre is open for collections Monday to Friday by appointment only. The phone is attended from 8.30am to 5pm Monday to Friday.

Dog Control Zones

The areas of Glenelg Shire are for everyone to enjoy, so you must ensure you follow the regulations of the dog control zones. Please follow the restrictions outlined below.

- Dogs are required to be on a leash in the Nuns Beach area between 9.00am - 6.00pm from 1 December to Midnight on Easter Tuesday.
- Dogs are required to be on a leash on the Portland foreshore, between the Yacht Club and the Lee Breakwater.
- Dogs can be off-leash in other areas of the Municipality, but you must ensure your dog is under effective control.
- Dogs can be ON-LEASH on the new connecting pathways along the Portland Foreshore and Henty Beach area.
- Dogs must not enter the Henty Beach playgrounds, be off-leash or stray on to the beach or grassed area along Henty Beach - These areas remain PROHIBITED for dogs.

Breach of these restrictions could result in fines of up to \$900.

Barking dogs

While barking is a natural form of communication for dogs, it is the owner's responsibility to ensure their dogs are not affecting neighbourhood peace.

If your dog is barking too much, there are some things you can try:

- Obedience train your dog not to bark at regular neighbourhood occurrences.
- Get your dog used to periods of being alone.
- Try not to leave your dog alone for a long time and, if you have to, make sure your dog is comfortable, well-fed and watered and exercised before you go.

If a neighbourhood dog is becoming a nuisance to you, read our Dealing with a Barking Dog informational brochure. You can also contact Council's Local Laws Unit for advice on (03) 5522 2208.

Cleaning up after your dog

Everyone wants to live in a clean environment. All dog owners, or people walking dogs, are required to clean up after their animals. Carrying a plastic bag or scooper device is the best way to ensure you can collect and dispose of dog excrement in public places.

People who do not clean up after their dog, or are not carrying the means to do so, may face on-the-spot fines of up to \$200 for each offence.

Portland Dog Park

The space features two separate enclosures to accommodate for both large and small dogs, and boasts native trees, a sand pit, agility equipment, and a range of surfaces such as gravel, crushed rock and lawn.

The Small Dog Park is open for dogs under 10kg and the Large Dog Park is open for medium/large dogs over 10kg.

Address: 2 Bentinck St, Portland

Opening Hours: Daily 7am-7pm

Outdoor Cats

Many cats enjoy free reign of the outdoor property of their owners. However, it is essential to respect that some neighbours may not appreciate cats visiting their property. Additionally, a cat curfew is in place from 7:00 pm - 7:00 am.

Glenelg Shire Council promotes the use of cat enclosures and cat fencing. These structures can be extensive and stimulating for cats.

If you have trouble with an uninvited cat on your property, you can hire a cat trap at no charge from the Animal Welfare Centre, Heywood Customer Service and Casterton Customer Service.

Infringement Notices

Breaches of animal control laws can result in Infringement Notices for pet owners. People who receive an infringement can:

- Pay the infringement fine
- Have the matter referred to Court for consideration, which you must request in writing

If there are extenuating circumstances, you can apply for an infringement review, by referring the matter to the Glenelg Shire Council Review Panel.

Children and Families

Long Day Care

Glenelg Shire Council understands the value of family, especially your little ones. Our long day care programs empower children to develop and use essential life skills through play and social interaction.

Care and education are the foundation of our programs. Our qualified and skilled educators follow the guidelines of the National Quality Framework and the Victorian Early Years and Development Frameworks for children aged from eight weeks to twelve years.

The long day care program operates extended hours to provide support to families. It provides a safe environment where children can play, learn and grow in their early years of life. Children are able to attend the service full time, part time or casually, depending on the needs of the family and availability.

Our Centres

Karreeta Peeneeyt Mara	
Portland Child and Family Complex	94 Julia St, Portland
Dartmoor Children's Centre	134 Lang St, Dartmoor
Kathleen Millikan Centre	1-7 Jackson St, Casterton

Kindergarten

A child's time at Kindergarten is an important part of their early years development. It helps children develop life skills through play and social interaction. They develop friendships, engage in various activities and it also supports them in their transition to formal schooling.

At Glenelg Shire Council our professional team of teachers and educators design fun, engaging and age-appropriate programs based on the National Quality Framework and Victorian Early Years Learning and Development Frameworks, to ensure children are provided with learning opportunities through play.

Children and Families

Take a Tour

Want to see what our kindergarten and long day care centres look like before you enter the doors?

You can take a virtual tour of any or all of the facilities we manage by visiting our website by scanning the QR code.

Maternal and Child Health Services

Maternal and Child Health is a free service for all children aged from birth to 6 years, offering ten Key Age and Stage visits, as well as immunisation and additional targeted support if required.

The service is staffed by Maternal and Child Health Nurses (registered nurses with qualifications in midwifery, maternal and child health) and is managed by Portland District Health.

Who do I contact?

For all maternal and child health services enquiries please contact Portland District Health:

Phone: (03) 5521 0504

Email: mch.pdh@swarh.vic.gov.au

Maternal and Child Health line

A 24-hour telephone service staffed by Maternal and Child Health nurses for families of children aged birth to school age is available by contacting **13 22 29**.

(This help line is funded by the Victorian Government initiative.)

For more information please visit our website by scanning the QR code.

Playgroup

Playgroups provide parents and caregivers with the opportunity to meet new people, gain support and exchange parenting ideas. They allow babies, toddlers and preschools to socialise as they play and learn together.

All playgroups are different but the emphasis is on fun and friendship.

To see the timetable for a list of current playgroups in the Glenelg Shire please visit our website by scanning the QR code.

Wi-Fi, Internet and Computers

Our libraries have free public computer access. To access our computers, you will need to use your library card number and PIN. We also offer printing, photocopying, scanning, as well as free Wi-Fi. *Charges apply for printing and copying.*

If you need computer support you can book a one on one appointment with one of our Portland library staff free of charge.

Events

Glenelg Libraries hosts a variety of events, most of which are free to attend. These events are advertised on our website, eNewsletter, Facebook and Instagram pages, and within library branches.

Weekday events include regular sessions such as Rhymetime, Storytime and Bookchat, and we also run School Holiday Activities. On Thursday evenings the Portland Library runs our Libraries After Dark program which runs 5pm-9pm.

For more information on events please go to our website by scanning the QR code.

Room Hire

The Portland Library has one small and one large meeting room available for hire. These rooms are available free of charge to volunteer-run organisations. To request a room booking, visit our website by scanning the QR code.

To book spaces at Casterton or Heywood, please call the relevant Customer Service Centre.

Outreach Library Services

Glenelg Libraries' mobile library visits the regional towns of Dartmoor, Merino and Digby on a three-weekly schedule.

The mobile library is equipped with 500 items including latest releases, audiobooks, magazines, DVDs, fiction, non-fiction and picture books. It also has an awning and seating so people can stop by, browse the collection and connect to the free Wi-Fi.

Nelson Click and Collect services are available every three weeks. Library members can collect items from, and return items to the Nelson Visitor Information Centre.

Digital Library and Apps

Glenelg Libraries users have access to the following apps and sites:

- Libraries Victoria App
- BorrowBox (eBooks and eAudiobooks)
- Kanopy (movies and video streaming)
- Ancestry Library Edition
- Busy Things (for children aged 3-5 years)

Arts and Culture

Performances and Exhibitions

Portland Arts Centre hosts a variety of performances and entertainment for all ages including:

- Theatre and Comedy
- Music and Musical Matinees
- Kids and Family Performances
- Community Events
- Exhibitions
- Classes and Workshops
- PAC to Go

The annual Arts and Culture Program features a diverse variety of touring performances, exhibitions and more, which are selected to cater for a range of interests in the community.

For details of upcoming performances and exhibitions visit the Portland Arts Centre website by scanning the QR code.

Cultural Collection

Glenelg Shire Council is custodian of over 10,000 items valued at over \$7 million and manages the presentation and preservation of this treasured cultural collection. The unique collection contains artworks, domestic objects, photographs and records relating to the social, maritime and civic history of the Shire, some of which are of state-wide and national significance.

We encourage you to visit and explore the many fascinating objects and artworks that form part of the Cultural Collection on display across the shire.

Community Arts Groups

Connect with local community art groups through our website by scanning the QR code.

Portland Maritime Museum

Located in the Portland Maritime Discovery Centre, the Portland Maritime Museum tells the story of people's connection to the sea and coastline in this area over thousands of years.

Discover the Nyamat Mirring Gallery as well as stories of shipwrecks and the development of the Port of Portland. Free children's trails available.

You can visit the Maritime Centre at Lee Breakwater Rd Portland from 9am to 5pm daily.

Discover our Shire

(08) 8738 4051

Open Daily 10am-12.30pm & 1.30pm-5pm (Except Christmas Day)

Whale Watching

Winter in Portland isn't all grey skies and rainy days. The ocean adds powerful drama to the coastline, fireplaces crackle and invite cosy evenings, and crowds dwindle. And of course, whales return to the southern shores for their annual baby moon.

From May to September, the giants of the deep journey from the Antarctic to the warmer waters of the Southern Ocean to breed, birth and raise their calves. This is what we call that 'whale corridor'. It's the only place in the world where you can watch whales breeding so close to the shore.

Portland offers some of the best whale spotting vantage points to watch the Southern Right, Humpback, Blue, and the occasional Orca whale breaching, chin slapping, flippering and spy hopping. Southern Right Whales can be spotted close to shore and even into the harbour at Portland.

Stay informed about whale sightings in Portland and surrounding areas by signing up to Whalemail on Facebook, just scan the QR code.

Discover our Shire

Events

With Events happening all over Glenelg Shire, there is always something to look forward to.

To view a variety of local events and activities visit our website by scanning the QR code.

Parks, Playgrounds, Pools and Reserves

Glenelg Shire is home to an array of beautiful playgrounds, parks and pools where the entire family can explore and play.

To view the full range of our facilities please visit our website by scanning the QR code.

Budj Bim National Park

Discover the rich cultural heritage of Budj Bim and the natural wonders of this ancient, volcanic landscape. Budj Bim National Park visitor area is home to a tranquil crater lake, lava canals and caves in a lush bushland setting. Enjoy a picnic, camp and walk among Manna Gums teeming with native wildlife.

Visit the website for more information by scanning the QR code.

Tae Rak Aquaculture Centre

The Tae Rak Aquaculture Centre is a state-of-the-art facility designed to showcase one of the world's most extensive and oldest aquaculture systems.

The centre houses a Bush Tucker Café, as well as a Retail Space and a Tour desk. The centre also houses a kooyang display tank for visitors to take a look at live short-finned eels (*Anguilla australis*).

Visit the website for more information by scanning the QR code.

Great South West Walk

A spectacular walking track popular with locals and visitors, it's stunning scenery, beautiful fauna, wildlife and tranquil setting provide a memorable and serene experience.

The track is designed for short or long walks, with various starting locations scattered between Portland and Nelson.

For more information about the Great South West Walk visit the website by scanning the QR code.

Planning or Building Permit?

Planning and Building permits are different permits and have different purposes. A Planning permit is for the development and use of the property and any construction and may not always be needed where a building permit is generally always required when constructing, altering, extending or demolishing a building.

It is highly recommended that you contact Council prior to commencing any building works to ensure that you get the correct information prior to lodging an application.

NOTE: If a Planning permit is required, the Planning permit has to be issued before the Building permit can be issued. Applications for both Planning and Building permits can be applied for at the same time and assessed concurrently.

Planning Permits

You may need to apply for a planning permit if you plan to:

- Open a new business
- Construct a house, or multiple houses
- Construct a garage/carport/shed
- Erect and display signs
- Implement industrial or commercial buildings and site works
- Alter external treatments on a building, or apply internal alterations on select buildings, within our Heritage Overlays
- Subdivide land and/or buildings
- Remove of lop native vegetation, such as native trees, shrubs and grasses, including dead native trees

If you would like to speak to someone for Planning advice or to make an enquiry please visit our Portland Customer Service Centre, or call 1300 453 635. For further information visit our website by scanning the QR code.

Building Permits

Any proposed building work must have a building permit prior to construction, unless exempted, and must meet minimum standards of safety and amenity.

A building permit applies to building work that is in connection with the construction, demolition, or removal of a building.

To construct a building means:

- Build, re-build, erect or re-erect the building
- Repair the building
- Make alterations to the building
- Enlarge or extend the building
- Place or relocate the building on land

For further information visit our website by scanning the QR code.

Local Laws

You may need to apply for a permit if you plan to:

- Camp on private or Council managed land
- Burn off
- Collect/busk on Council-owned or managed land
- Cut and collect fodder on road reserves
- Keep excess animals
- Conduct a domestic animal business
- Drove livestock
- Graze livestock on roads and public places
- Use a Council footpath to display signage or eating facilities

Other Permits

Other permits that may be required are:

- Works within road reserve
- Footpath trading permit
- Itinerant trading permit

Infringements of the General Local Law 2018

Local Laws is an important part of life in the Glenelg Shire, providing a safe, healthy environment for our community.

Infringement Notices may be issued by Local Laws officers for a range of offences, including breaches of Glenelg Shire Council General Local Law 2018.

Persons who receive an infringement may:

- Pay the infringement
- Refer the matter to the Glenelg Shire Council Review Panel if there are extenuating circumstances surrounding the issuing of the infringement. Please complete and return the Infringement Review Application Form by scanning the QR code below.
- Have the matter referred directly to Court for consideration. This must be requested by contacting Council in writing.
