Update Your Club Contact & Membership Details

So that our Recreation Team can ensure they maintain an up-to-date contact database for clubs, we have introduced a simple online form for a Club committee representative to complete.

There is also the option to opt-in to this monthly bulletin (or opt out if you no longer want to receive the emails).

Click below to access the form, which is also accessible via the Glenelg Shire Council website:

<https://au.openforms.com/Form/6f1550ca-22ee-42e0-9124-61278e834dc5>

Additionally, there is an option on the form to enter your Clubs membership data and supporting information that will be required as evidence to participate in the Licence/Lease Fee Incentivisation program. This program is for current Clubs / User Groups that hold a current Crown Land Licence/Lease with Council. The Incentivisation program offers opportunities for licence/lease fees to be reduced for the next financial year should the Club/User Group be able to meet the key focus areas. More information on this program will be released to Licensed User Groups within the next 2 months.
