

Under the *Freedom of Information Act 1982* (Vic) (the Act), every person has the right to request access to documents held by Victorian public sector agencies and Ministers. This right of access is subject to exceptions and exemptions necessary to protect essential public and private interests.

Before you make a request

We publish certain information and documents on our website and make other information or documents available upon request without the need for you to make a request under the Act.

Before you make a request, visit our website or contact us to see if the information you would like to access is publicly available outside of the Act.

Providing information outside of the Act is called proactive release and informal release. For more information on what proactive and informal release means, read the Office of the Victorian Information Commissioner's (OVIC) [Proactive and Informal Release of Information – Guidance for the Public](#).

If you cannot access information outside of the Act, please continue reading to learn how to make a valid freedom of information (FOI) request.

Making a valid request

Under section 17 of the FOI Act, a request must meet three requirements to be valid:

1. Your request must be in writing;
2. You must provide sufficient information about the documents you are requesting to enable us to identify and locate relevant documents; and
3. You must pay the application fee, or if payment of the application fee would cause you hardship you can request us to waive the fee in full or in part.

Visit OVIC's website for more information on [how to make a valid FOI request](#).

After you submit a request

After you submit a request, we will assess it to ensure it meets the requirements outlined in section 17 of the FOI Act. If we determine that your request is not valid, we will notify you within 21 days from the date we received your request and provide you with assistance to help you make the request valid. If your request is valid, we will begin processing it.

Timeframes

We have 30 days from the day after we receive your valid request to provide you with a decision. However, we can extend this time by up to 15 days if we need to consult with third parties whose information may be contained in the requested documents.

We may also extend this time by up to 30 days with your agreement. We will let you know if the timeframe changes.

What Information is not available

The Freedom of Information Act allows us to refuse access to certain documents or parts of documents. These are referred to as [Exemptions](#) and include:

- law enforcement information
- information protected by legal professional privilege
- information about the personal affairs of another individual
- confidential commercial information (of businesses or Council)
- information provided in confidence
- documents which are covered by secrecy provisions in other legislation.

Your application may also be refused if it is considered 'voluminous in nature', meaning if we were to respond to the request it would interfere unreasonably with our operations or performance.

Privacy Collection Notice

The Glenelg Shire Council collects this information for the purpose of processing your Freedom of Information Request. The Council is authorised to collect this information under the *Freedom of Information Act 1982*.

We may notify and consult with third parties in considering whether an exemption under sections 29, 31, 31A, 33, 34 or 35 of the FOI Act applies. This may involve disclosing details such as your name, the terms of your request, and the documents falling within the scope of your request that concern the relevant third parties.

If necessary, we may transfer your request under section 18 of the FOI Act to another agency or Minister who is better placed to handle your request. We will tell you if we do this.

If you choose not to provide the required information, Council may not be able to process your request. If you have any questions about how your personal information will be handled or would like to gain access to your personal information, you can contact the Glenelg Shire's Privacy Officer on 1300 453 635 or enquiry@glenelg.vic.gov.au

2. The documents you are requesting to access

Please identify, describe or outline the document(s) you are seeking to access.

Your request must provide sufficient information for us to be able to identify and locate all relevant document(s). When writing your request, be specific about which document(s) you are seeking and include as much information as possible. Think about:

- what the document(s) relate to (for example, a complaint you made, or a particular project);
- the date range in which the document(s) may have been created;
- where the document(s) might be located (for example, in a particular email account, with a specific person, or held by a business or work unit); and
- the type of document(s) you seek (for example, an email, report, CCTV footage).

Please avoid using wording such as 'all documents' because your request may result in it being too large for us to process, or it may not be specific enough for us to identify the document(s). If you are not sure how to frame your request, please contact us.

3. Additional information to assist us

Optional: please provide background or contextual information to assist us in processing your request. This could include your reasons for seeking access to the document(s) and what you intend to do with the document(s). Providing additional information may assist us to identify and locate document(s) relevant to your request. It may also assist us to identify other ways you may access the requested document(s) outside of the FOI Act.

It may be helpful to exclude certain documents or information from your request if it isn't particularly necessary or relevant. This may allow us to process your request more quickly by potentially reducing the number of documents to assess or removing the requirement for us to consult with third parties. Do you require access to:

- draft documents Yes / No
- duplicate documents: Yes / No
- commercial information relating to third parties: Yes / No
- personal information relating to third parties: Yes / No

4. Proof of identification (*if applicable*)

If the documents you are seeking access to relate to you personally, you may need to provide us with a certified copy of your identification. We may not be able to provide access to the requested document(s) if we cannot verify that you are the person the subject of the document(s).

5. Edited copies

The document(s) you requested may contain exempt or irrelevant information. Under section 25 of the FOI Act, we can provide edited copies of document(s) with exempt or irrelevant information removed. However, we are only required to do this if you indicate you will accept an edited copy of the document(s), and if it is practicable for us to make edits. If you don't agree to receive an edited copy, we may decide the entire document is exempt and refuse access to it in full, even if there is some information that could be released to you.

In the event we consider the document(s) you requested contain exempt or irrelevant information, do you agree to receive an edited copy with the exempt or irrelevant information removed?

I agree / I do not agree to receive access to an edited copy of a document with exempt or irrelevant information removed in accordance with section 25 of the FOI Act.

6. Form of access

The Glenelg Shire's standard process is to release documents electronically via email or depending on the size and volume of documents via Microsoft SharePoint. Please notify the FOI Officer if you would like to request a different method of access, but please note that additional fees may be applicable.

7. Application fee

The application fee for making a request for access under section 17 of the FOI Act is currently \$31.80 (2023/2024). Please note that this fee changes each financial year.

You can pay the application fee by credit card, cheque, bank cheque, money order or cash.

By phone: 1300 453 635

In person: Customer Service Centres (Portland, Heywood or Casterton)

Alternatively, if paying the application fee would cause you hardship, you may request that we waive the application fee in full or in part. If you request a waiver, please provide evidence to show why paying the fee would cause you hardship, such as a concession or healthcare card, bank statement, or statutory declaration outlining why payment would cause hardship. We will assess your fee waiver request and let you know the outcome.

Please call me to arrange payment The fee is attached

8. Other Charges

We may require you to pay certain charges before access is provided to the requested document(s).
