<b>Please provide any other relevant traffic information, including impact on pedestrians (including provision for all abilities and cyclists):</b>			
Works Manager Responsibilities include:			
<b>Road Management Act 2004 Schedule 7 Section 14 Principles applying to infrastructure managers and works managers:</b> 1. An infrastructure manager or a works manager must have regard to the principles specified in this clause in the provision of non-road infrastructure on roads. 2. The primary purpose of a road is use by members of the public and authorised users must be managed as far as reasonably practicable in such a way as to minimise any adverse impacts on the primary purpose. 3. Without limiting the generality of sub-clause (2), authorised uses must be managed so as to – (a) minimise any damage to roads and road infrastructure; (b) ensure that works necessary for the provision of non-road infrastructure are conducted as quickly as practicable; (c) minimise any disruption to road users; (ca) minimise any disruption to users of different modes of transport which have priority on specified roads; (d) minimise any risk to the safety and property of road users and the public generally; (e) facilitate the design and installation of infrastructure which minimises any risk to the safety of road users; (f) ensure that the road and any other infrastructure is reinstated as nearly as practicable to the condition existing before the works necessary for the provision of the non-road infrastructure were conducted; (g) protect and preserve existing significant roadside vegetation and sites of biological significance within the road reserve.			
Application for Consent Fees Information			
Consent fees are payable when lodging an application for consent. The application fees are set under the Road Management (Works & Infrastructure) Regulations 2015 S.R. No 61/2015 Part 5 – Fees Regulation 22, and the meaning of <i>minor works</i> is taken from the same regulations Part 1 – Regulation 6. The fees are calculated using the Department of Treasury and Finance Indexation of Fees and Penalties according to the Monetary Units Act 2004. From 1 July 2024 to 30 June 2025, one fee unit has been set at \$16.33. <b>Reinstatement fees are reviewed annually and are included in Council's adopted Fees and Charges Schedule.</b>			
Reinstatement Fees (GST incl.)	<b>Road Pavement</b>		<b>Footpath</b>
	Pre-mix per m <sup>2</sup>	\$271.20	Concrete per m <sup>2</sup> (single panel)
	Replacement and sprayed bitumen seal per m <sup>2</sup>	\$528.50	Concrete per m <sup>2</sup> (multiple panel)
	Sprayed bitumen seal only per m <sup>2</sup>	\$106.40	Spray Bitumen seal per m <sup>2</sup>
	<b>Other</b>		Construct with sprayed Bitumen seal per m <sup>2</sup>
	Side Entry Pit Lids	\$387.20	<b>Kerb and Channel</b>
	Cut concrete, jack hammer, cut away per m <sup>2</sup>	\$122.60	Concrete per lineal metre
	Pavers per m <sup>2</sup>	\$168.90	
The Glenelg Shire Council (Council) collects this information for the purpose of assessing your Application for consent to undertake works within the road reserve. The Council is authorised to collect this information under the Road Management Act 2004 and Road Management (Works & Infrastructure) Regulations 2015. Council will not release your personal information to any other person or body, unless (a) it has been authorised to do so by you, (b) it is permitted or required to do so by law, or (c) it is appropriate or required in the performance of the functions of Council. If you choose not to provide the required information, Council may not be able to process your application. Council will ensure that your personal information is held securely in accordance with the Privacy and Data Protection Act 2014 (Vic). If you have any questions about how your personal information will be handled or would like to gain access to your personal information, you can contact the Glenelg Shire's Privacy Officer on 1300 453 635 or <a href="mailto:enquiry@glenelg.vic.gov.au">enquiry@glenelg.vic.gov.au</a> .
