

Glenelg Shire Council Jaycee Kindergarten Philosophy

Organisational Values | **Respect** | **Integrity** | **Teamwork** | **Service Excellence** | **Innovation**

Quality

We believe in educating children holistically to support each child's independence, social, emotional and physical learning and development.

Relationships

We believe in maintaining positive relationships through respectful communication and interactions within the Kindergarten and broader community.

Child Safety

Educators are committed to the safety of children; reducing and removing the risk of child abuse is at the centre of our decision making.

Culture

We value Aboriginal and Torres Strait Islander people's culture, and all cultures within our community.

Equity

We value all individuals and believe in upholding their right to be treated as equals.

Diversity

We believe in embracing diversity to promote an atmosphere of inclusion and respect within a nurturing environment.

Reflective Practices

As educators we believe reflective practice promotes high quality education and care.

Community of Learners

Educators become co-learners with children, families and the community and seek ways to create rich and meaningful learning opportunities.

Natural Environment

We value our natural environment which promotes many opportunities for children to explore, investigate, discover and challenge themselves as competent learners.
