

Quality

We believe in educating children holistically to support each child's independence, social, emotional, and physical learning, and development through play.

Relationships

We believe in maintaining positive relationships through respectful communication and interactions within the kindergarten and broader community.

Child Safety

Educators are committed to embedding the principles of the Safe 4 Kids program and/or See More Safety program.

Culture

We value Aboriginal and Torres Strait Islander people's culture, and all cultures within our community. We are committed to the ongoing implementation of the services Reconciliation Action Plan (RAP).

Team Work

Our educators and management work cohesively and ethically as a team.

Health/Wellbeing

We support children, their families, and our educators to lead healthy lifestyles and develop a sense of wellbeing.

Equity

Equity is upheld and diverse needs are respected.

Diversity

We believe in embracing diversity to promote an atmosphere of respect within an inclusive and nurturing environment.

Reflective Practices

As educators we believe reflective practice promotes high quality education and care.

Community of Learners

Children are viewed as capable learners who are actively involved in decision making within the program.

Natural Environment

We value our natural environment and sustainable practices which promotes opportunities for children to explore, investigate, discover, and challenge themselves.
