Regulation 78 – CAR PARKING

Description of proposal and reason for application

ASSESSMENT CRITERIA

The Minister for Planning in his Minister’s Guideline (MG/12) has set out the objective and decision guidelines that Council must have in regard to when considering varying a design and siting standard.

Note: If any matter set out in the guideline is not met, then Council **must refuse** consent.

Objective: To ensure that car parking is adequate for the needs of the residents.

Decision Guidelines: The reporting authority may give its consent where a single dwelling, does not comply with regulation 78 of the Building Regulations 2018, if -

(a) the anticipated residents are likely to generate a lesser demand for car parking; or

Comment

(b) the provision of car parking on the allotment would reduce the on-street car parking by equal to or more than the number of car parking spaces that would be provided on the allotment; or

Comment

(c) the dimensions of the allotment provide insufficient width and/or depth to enable the provision of the required car parking on the allotment; or

Comment

(d) the location of the existing development on the allotment provides insufficient width and/or depth to enable the provision of the required car parking on the allotment; or

Comment

(e) the availability of public transport and on-street parking would lessen the demand for car parking on the allotment; or

Comment

(f) the provision of car parking is consistent with any relevant local planning policy or parking precinct plan in the relevant planning scheme.

Comment

Notes:

Council will consider the needs of the applicant and also the potential impact upon the adjoining properties and or infrastructure when making its decision. As such this application will be referred to the affected owners for comment prior to making a decision.
